From the Principal

What a wonderful start to 2017!

The Hall has been a buzz with many new families, over 19 of them, and our returning families joining us for classes so far this year. It has been wonderful to see so many smiling little dancers in our classes this year and makes me so very happy that families appreciate and join us for our philosophies on Dance Education.

Over the holiday period I had the opportunity to attend the Australian Teachers of Dance (ATOD) yearly workshops and I am really looking forward to introducing some new programs to our Centre next year, as well as offering examinations to our first eligible group of students this year.

I really look forward to seeing our Centre grow in numbers and expand in the varieties of classes we can offer your children, so they can experience and enjoy Dance in many forms.

Make sure you check our Weekly Reminders board at the Hall and keep an eye on our Facebook Page and your inboxes for announcements throughout the year of the many activities and events I have planned. 2017 is going to be an exciting year!

Miss Kelly

Thank You

Penny L, Rebecca D, Heather B, Erica K, Trisha P, Laura B

Thank you for recommending us to your friends and family. Your \$10 credit for each new friend that enrolls will appear on your Term 1 or 2 invoice.

Do you know someone who would love to dance with us? Get them to book in for a trial so you receive a \$10 credit when they enroll. 'Bring a Friend' invites will be handed out in class this week, which is a great way to tell your friends about our Centre. If you are after flyers to hand out to friends and family at any point throughout the year there is always a collection on the Tea and Coffee table, help yourself.

Spread the Joy of Dance!

To help get word out about our great Dance Centre we would love your help to spread the Joy of Dance.

If you love bringing your child to Prelude Dance Centre, or attending yourself, and think others would enjoy it just as much, we would appreciate you taking 2 minutes to submit a review on one of the platforms we feature on, or share one of our Facebook posts about classes to your Facebook feed.

The more you share our name with others, the greater opportunity we have to share our Joy for dance with more families in our community.

If you haven't liked it already, our Facebook Page can be found at facebook.com/preludedancecentre

Core Value: Respect and Integrity

A reminder that your children are coming to class to have a wonderful dance experience and to fill their minds and bodies with the wonder of Dance.

This learning environment is easily disrupted if the waiting area is noisy or if people are not behind the divider.

I know it is a little squishy with so many new families joining us, however there is an additional partition in construction to increase our waiting area.

I ask your assistance in treating the waiting area much like you would a doctors office and keep the noise to an absolute minimum. I know this can be tricky with other children waiting, however there are soft toys

provided for entertainment and if you also bring quiet entertainment along, I know we can work together to ensure your dancer's learning and that of the other students at our Centre is Respected.

If your child is 6 or older you are welcome to leave the Hall for the duration of the class if your child is comfortable with this arrangement. I always have emergency contact numbers with me, should you be required, and will not allow any students to leave the teaching space without a parent/guardian waiting for them in the waiting area.

If for some reason you are running late to return to the studio you just need to pop your head into the room and collect your child.

PDC Uniforms

Students who began dancing with us this year, a reminder that you can purchase your uniforms from Sammy's Room at Underwood.

A Uniform description can be found in your Welcome Pack and it is also on our Website. Should you be unsure which level your child is in please just ask us.

As the beginning of the year can be costly with so many back to school expenses, new students have until Week 6, the first week of March to purchase their uniforms.

A reminder that uniforms are important for ensuring I am able to see the lines of a dancer's body to correct

technique and also to create a sense of belonging and teamwork.

If your child has a uniform from the previous level they are welcome to outgrow their uniform before changing to the new colour.

Have you taken a photo of your dancer at one of their First classes?

Share your First Class photo with us via PM or email so we can add it to our Facebook Album.

Core Value: Improvement and Expertise

We are always looking for ways to improve and love to get your feedback.

Have you seen our Question of the Month box in the waiting area yet? It is an easy way for you to contribute to our centre as each month a new question will be asked and it will help us to know how best to serve you.

If you have any feedback or questions for us throughout the year or something you think we would be interested in being a part of, we would love to hear from you. Contact our office via phone or email so we can all help our students experience a great Dance journey.
