Last Updated: 23/05/24			

Last Updated: 23/05/24

Toddlers and Preschoolers only need to enrol in one class per week of any style. The multiple classes offer you options to choose the day that suits your schedule the best.

If your 2 1/2 year old is toilet trained, you are welcome to trial them in a Petit Dance class if you feel they are independent enough to attend without a carer in the room.

ADD-ON Classes:

Itty Bitty Acro and Tiny Tappers classes are an opportunity for your dancer to extend their dance time and experience multiple styles of dance.

Students must be enrolled into a Petit Dance or Boys Bop class to enrol into either of these classes, however they can attend an ADD-ON class on a different day to their Core Class.

Students can enrol into as many ADD-ON classes as they like.

ADD-ON classes are not included in Multi-Class discounts due to them already being discounted.
