Prelude Dance Centre

2026 Grade 4, 5 & 6 Timetable and Class Guide

To help you make the correct choice for your child when enrolling in classes for 2026, see the important information below:

► Children must be enrolled in at least one Core class to enrol into any Add-On classes.

► Students wishing to participate in ATOD Ballet Examinations in 2026 must be enrolled in Ruby Ballet, as well as Bronze Star Ballet Extension and Conditioning. They may choose to enrol in both classes and not sit examinations.

► Children who are enrolled in Ballet at this level will start learning Character dance as part of their syllabus work. They will require a Character skirt and shoes.

► Extension class fees are charged at a different rate to normal classes. The amount charged depends on the number of students enrolled and the charge amount may change from term to term depending on the number enrolled. We do this to ensure we can provide an opportunity for our students to sit exams, however need to cover the extra expense of having smaller numbers in classes.

► We are taking expressions of interest for Tap. At this stage we are unable to tap at our new venue, however if this changes we will add the class back on. Let us know if you are interested in a Tap class for your dancer.
