Not currently offered. Contact us to register your interest.

ADD-ON CLASSES

Itty Bitty Acro (3-5 years)
Saturday 9:50-10:05am

Toddlers and Preschoolers only need to enrol in one class per week of any style. The multiple classes offer you options to choose the day that suits your schedule the best.

2 1/2 year olds who are toilet trained and happy to be separated from their parent/carer are welcome to join us for an Introductory Petit Dance.

ADD-ON Classes:
Itty Bitty Acro classes are an opportunity for your dancer to extend their dance time and experience multiple styles of dance.

Students must be enrolled into a Petit Dance class to enrol into these classes, however where available they can attend an ADD-ON class on a different day to their Core Class.

Students can enrol into as many ADD-ON classes as they like.

ADD-ON classes are not included in Multi-Class discounts due to them already being discounted.
